## Specifications

### Environmental Conditions

|                                 |                 |
|---------------------------------|-----------------|
| Environmental compatibility     | Recyclable      |
| Temperature range, installation | -20 °C to 70 °C |

### Design

|                 |                 |
|-----------------|-----------------|
| Colour          | White, RAL 9010 |
| Number of ports | 1               |

### General Specifications

|              |     |
|--------------|-----|
| Halogen-free | Yes |
|--------------|-----|

### Ordering Information

|                    |                      |
|--------------------|----------------------|
| Product Number     | CAXCSE-S0101-C002-BP |
| EAN Code           | 4042673598640        |
| Weight             | 300 g                |
| Units per delivery | 50/1                 |

### Standards

|      |                                                           |
|------|-----------------------------------------------------------|
| RoHS | Free of hazardous substances according to RoHS 2011/65/EU |
|------|-----------------------------------------------------------|
