LANscape® Fibre Housing loaded with LC Duplex shuttered adapters and pigtails, 12 Fibres, 1U, Multimode OM3/OM4, universal splice pack, protectors not included, black

Part Number:
LAN1-12AD-PGTL-B

The LANscape® housing family was designed for various applications in 19-in racks and main distribution frames. The fixed or sliding housings can be equipped with industry common adapter types in different fiber categories and are suitable for direct field termination, fusion splicing with pigtails as well as preterminated solutions. The four back openings accommodate cable glands. Additional brackets for cable strain relief for FTTD/FTTO applications or U-Clips for Plug & Play™ and EDGE™ trunks can be mounted at the backside.
The space-optimized interior makes it easy to work with ongoing moves, adds and changes (MACs), thus reducing the risk of network disruptions.

Features and Benefits

Easy to remove top cover
No tools needed

Housing made of aluminium
Lightweight, but robust

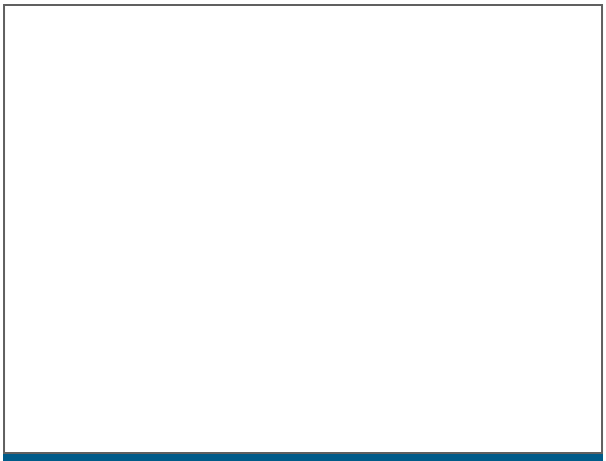
Quick-mount feature
Allows single-person mounting of housing

Accomodate different termination methods
Pigtail splicing, field connectorisation, preterminated cables, Plug & Play™ or EDGE™ trunks can be installled in the same housing

Low installation depth
Mountable in shallow cabinets or racks

Multiple labelling options
Port numbering above and below adapter modules or customised labels

LC Duplex adapter modules with self-closing shutters
Additional protection at no extra cost



LANscape® Fibre Housing, loaded with LC Duplex shuttered adapters and pigtails, 12 Fibres, 1U, Multimode OM3/OM4, universal splice pack, protectors not included, black

LANscape® Fibre Housing loaded with LC Duplex shuttered adapters and pigtails, 12 Fibres, 1U, Multimode OM3/OM4, universal splice pack, protectors not included, black

Specifications

Design - Adapter	
Adapter housing colour	Turquoise
Adapter type	LC duplex shuttered

Design	
Fibre count	12
Housing material	Aluminum
Additional cable number reachable with accessories	4
Maximum cable number in basic unit with accessories	4
Cable entry type	Prepunched circular
Number of pigtails	12
Splice protectors type	Without organizer and protectors
Number of adapters	6
Number of splice protectors	0
Total Splice Capacity	12 universal splices

General Specifications	
Fibre category	50 µm MM (OM3/OM4)
Access type	Front, top, rear
Mounting Type	Rack 19"

Dimensions	
Height	44 mm
Width	483 mm
Depth	233 mm

LANscape® Fibre Housing loaded with LC Duplex shuttered adapters and pigtails, 12 Fibres, 1U, Multimode OM3/OM4, universal splice pack, protectors not included, black

Ordering Information	
Product Number	LAN1-12AD-PGTL-B
Units per delivery	1/1

Shipping Dimensions	
Height	44 mm
Width	483 mm
Depth	233 mm
