Packaging	Recyclable		

Sustainability

We work hard to ensure our products meet the highest standards and are totally committed to the environment and maximising our usage of recycled material within our manufacturing process.

Our PVC-U products are manufactured from an average of 80% recycled plastic, with some extruded products produced from 100% recycled material.

Flush Mounted Boxes are manufactured from PVC-U, a material that is 100% recyclable, is flame retardant and self-extinguishing.
